

Motivation Questions for Tangram Assignment

Please rate the extent to which each of the following reasons influenced your decisions on which tangrams to choose for the other person to solve, using the following rating scale:

1	2	3	4	5
not at all	a little bit	Somewhat	quite a lot	a lot

I wanted to provide a range of tangrams for the other person to solve.

I wanted to make it easier for the other person to solve the tangrams within the time limit.

I wanted to help the other participant win the prize.

I wanted to make it difficult for the other participants to win the prize.

I wanted to hurt the other participants' chances of winning the gift certificate.

I wanted to give the other participant harder puzzles to complete.
